Subject:  
1749 Main Street  
DEP #197-0600

To the Commission:

An inspection of the site was done in January of 2020 by DC Engineering & Survey, Inc. to verify that the site has been stabilized according to the Wetlands Protection Act. The site ground conditions appear to be stable and site work is complete and in substantial compliance to the approved plan and we would recommend that the commission issue a Certificate of Compliance at this time.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Jason Dubois'. The signature is fluid and cursive, with a large, stylized 'J' and 'D'.
