Dear Honorable Commission:

On behalf of my clients Adam and Sara Wadden I request to amend the Order of Conditions 197-0541. (909 Stafford St )National Grid will need to install power lines to accommodate the single family homes and as such install poles as noted in the plans enclosed with this submittal from National Grid.

Please advise if my clients owe any fees and for arranging a legal ad and meeting date and I shall send out an abutter notice once I have those details afforded to me.

Thank you, and I look forward to seeing ( or zooming as the case may be) all of you again! I hope you all safe and well!

Thank you for the privilege of being able to serve.

Please call me at 978-314-7858 if there are any further questions regarding this wetland resource area or if you require additional clarification.
