

OPIOID ADDICTION RESOURCE SHEET

Worcester, MA

Current as of: 7/26/16

The City of Worcester cares about its community members that struggle with addiction and substance use disorders. The complex disease of addiction not only affects individuals every day but touches the lives of family, friends, and entire communities. Worcester and its surrounding communities are fortunate to have robust substance abuse treatment services located throughout the city that work tirelessly to help get people on the road to recovery. Below please find a list of services and their contact information available to Worcester residents.
