Comments: I have attached a sample photo of the proposed granite light post photo for the Parker Street subdivision for your reference.

Light Post Narrative

The light post and fixture shall be comprised of an 8' tall x 7" x 7" granite post or approved equal with its base set 24" below finished grade with an exterior post mounted light fixture with a timer installed adjacent to the proposed driveway(s) at their intersection with the Parker Street roadway for each subdivision lot.

Should you have any questions or require any additional information, please call my cell at 508-769-9084.

Respectfully yours,
GRAZ Engineering, L.L.C.
