RE: NOTIFICATION OF WETLANDS PROTECTION ACT FILE NUMBER

The Department of Environmental Protection has received a Notice of Intent filed in accordance with the Wetlands Protection Act (M.G.L. c. 131, §40):

Applicant	CEDAR MEADOW LAKE WATERSHED DISTRICT	Owner Address
Address	61 FAIRVIEW ROAD, LEICESTER MA 01524	
Locus	0 AND 124 CHARLES STREET , LEICESTER MA 01524	

This project has been assigned the following file # : **CE 197-0693**

ISSUANCE OF A FILE NUMBER INDICATES ONLY COMPLETENESS OF SUBMITTAL, NOT APPROVAL OF APPLICATION

Although a file # is being issued, please note the following:

- MassDEP recommends the Commission confirm the boundaries of the wetland resource areas in the field.
- The Commission may want to condition that no equipment or machinery shall enter any wetland resource areas. If entry and temporary alteration to resource areas is necessary, temporary impacts should be quantified and a restoration plan provided to the Commission and MassDEP.
- The Dam Inspection/Evaluation report includes recommendations to address deficiencies in addition to the tree removal such as sealing of cracks and filling of voids. MassDEP recommends all proposed work be included in this NOI application.
- The Applicant has not supplied a signed signature page including signature of the property owner, this is a requirement of a complete NOI and should be done prior to the opening of the hearing.

for MassDEP,
