Mr. King,

This letter is in response to your email inquiring how a new subdivision in Leicester would affect the Leicester Public School System.

As you are aware, the town of Leicester recently purchased the former Becker College Campus consisting of 44 acres and 19 buildings. This addition of the former Becker College Campus increased the number of buildings available to the Leicester Public Schools. Currently, The Leicester Public School System is in the process of transitioning the Leicester High School to the former Becker College Campus. While this transition is not yet complete, I hope it will be completed soon. When complete, there will be additional space at all of our schools. Therefore, I do not anticipate a problem with a new subdivision in our community.

Please let me know if I can be of further assistance.

Sincerely,

Brett Kustigian
Superintendent of Schools
