This project has been assigned the following file # : **CE 197-0686**

ISSUANCE OF A FILE NUMBER INDICATES ONLY COMPLETENESS OF SUBMITTAL, NOT APPROVAL OF APPLICATION

Although a file # is being issued, please note the following:

-The Commission may want the applicant to demonstrate how work this close to the resource areas would provide protection to the resource areas in perpetuity and may want to consider conditioning additional plantings, also see 10.53(1).

-Applicant has not quantified impacts to the Land Under Water from the proposed dock supports. Please revise and provide these calculations and describe how performance standards are met for these resource areas. See 310 CMR 10.56(4) for LUW
