MASSACHUSETTS DEPARTMENT OF TRANSPORTATION

HIGHWAY DIVISION - DISTRICT 3

TO: Kristen L. Forsberg, Town of Leicester Assistant to the Town Administrator

FROM: Carmen D. Ramirez, Resident Engineer

RE: Roadway Reconstruction and Related Work along a Section of Paxton Street (Route 56), Leicester MA - MassDOT Contract No. 99634

DATE: April 5, 2018

Progress Update:

The contractor installed the upgraded crossing and school zone signs and the traffic light at the intersection of Paxton St. and Winslow Ave.

The contractor performed some test holes to locate the gas main, marked the location of new drainage structures and materials were delivered to the site.

National Grid Electric is on site. They began the new poles hardware installation and will transfer the lines over. Verizon will then do their relocations and remove the old poles later on.

Look Ahead:

The contractor will start excavation and installation of storm water drainage, phase II. We will be maintaining alternating one lane traffic with the assistance of the Leicester Police.

Again, we apologize for the inconveniences and will continue to take measures to proceed as smoothly as possible. Thank you for your cooperation and the cooperation and understanding of the Town of Leicester residents. If you have any questions, do not hesitate to contact me.
