## **1.0 INTRODUCTION**

This manual shall serve as a comprehensive guidebook of all town policies that pertain to the general operation of Town departments. Individual departments may have their own policies and codes of conduct. This manual is intended to be a go-to source for guidance and instruction. Should there be any conflicts with the policies within the manual, please consult the Office of the Town Administrator.

This policy manual was first assembled in 2014 incorporating existing policies of the Town. As new policies are adopted, they will be included into the manual as soon as possible. Prior to adoption of policies into this manual, all standalone policies of the Town remain in effect. Updated copies of this manual will always be available in the Office of the Town Administrator.

These policies have been adopted under by and under the authority of the Board of Selectmen unless otherwise noted.

Minutes of Executive Sessions shall be separately kept and recorded in accordance with the above procedures. Minutes (other than of executive session) are open for public inspection. Copies of all approved open session minutes shall be recorded with the Town Clerk. Copies of all approved open session minutes shall also be made available on the Town's website.

## **CITIZEN'S COMMENT PERIOD**

In order to foster greater direct citizen input and dialogue, in a civil and respectful manner, a "Citizen's Comment Period" will be on the agenda for all regular Selectmen's meetings. Every effort should be made to make such allotted time as the first agenda item.

Those wishing to speak should complete a participation sheet with their name, contact information, and reference as to the item or topic they wish to address.

Individuals who have completed the designated form will be allowed up to three (3) minutes to speak, with a maximum of thirty (30) minutes total time allotted for the comment period. The Chairman will allocate and control the time accordingly. However, a majority vote of the Board can allow for extension of time for either individual speakers or the total time allotment, or to suspend the time to conduct other business.

Selectmen are encouraged to limit their comments or responses to simply requesting the topic of discussion be further investigated or put on as a future agenda item.

To this end the following steps will be taken:

1. An individual citizen or group of citizens may request an appointment before the Board by contacting the Town Administrator, stating precisely the reason for the appearance and the action desired and naming a spokesman for the group. Participants shall be given the opportunity to make a reasonable presentation through the spokesman and to express opinions and ask for pertinent information. Background data shall be prepared by the boards and departments involved prior to the appointment insofar as possible, so that all parties can have a reasonable understanding of the subject matter. Citizens are encouraged to have written materials submitted for the Board's meeting packet.
2. Persons who will be directly affected by proposed Board discussions and/or action will be notified by the Secretary of the date and time of the meeting at which the matter will be discussed or acted upon by the Board.
3. If the Board is considering matters of citizen concern at a regular meeting, the public will be allowed to ask questions or make statements relative to the matter under consideration, at the discretion of the Chairman or upon request of any member of the Board.
4. All citizen questions and complaints are to be answered promptly. Questions and concerns relating solely to the Office of Selectmen shall be answered promptly by the Chairman, after consulting with the Board, or at the discretion of the Chairman or the Town Administrator.
5. All other questions and all complaints are to be referred to the Selectmen's Office for action or recommendations. In emergencies or like instances where common sense dictates that the Board member receiving the complaint deal directly with a department head, the Board member shall inform the Town Administrator in writing of the issue and its disposition.

## **2.12 APPOINTMENTS**

### **APPOINTMENTS OF THE BOARD OF SELECTMEN**

The Board makes numerous appointments each year. Appointments are generally made for one or three years in length. In no case may appointments be made for more than three years unless specifically allowed by State law. Appointments generally are made prior to June 30th expiration dates. In the case of appointments, no second to the nomination or motion will be required prior to Board action. Whenever possible the Board will seek variety in backgrounds, interests, ages, sex and geographic areas of residents so that a true cross section of the community will be reflected. In order to attract qualified and interested persons, vacancies will be made public as far in advance of appointment as practical. Vacancies could be advertised in the local paper, on Cable TV and on the Town's website. Appointments should be based on merit and qualifications rather than political merit.

The Town Administrator will:

1. Provide no later than June 15th (or according to expiration date of term) a list of the appointment vacancies to be filled by the Board.
2. Notify the chairman of the appropriate board or committee requesting recommendations regarding reappointment or the filling of vacancies.

3. Notify incumbents and request their statements of availability regarding reappointment.

The Selectmen may meet with potential new appointees at an open meeting before making a final decision on the appointment. Appointments will normally be made only when all members of the Board are present. Appointments will be made by a majority vote of the Selectmen.

If a vacancy occurs in any elective town office, other than the Office of Selectmen or Town Clerk, the Selectmen may, in writing, appoint a person to fill such vacancy per MGL and/or Town's General Bylaws.

### **JOINT APPOINTMENTS**

Pursuant to the Town's General Bylaws, if there is a vacancy in a board or committee consisting of three or more members, the remaining members shall give written notice thereof to the Selectmen within one month of said vacancy, who, with the remaining member or members of such board, shall, after one week's notice, fill such vacancy by roll call vote. The Selectmen shall fill such vacancy if such board fails to give said notice within the time herein specified. A majority of the votes of the officers entitled to vote shall be necessary to such election. The person so appointed or elected shall be a registered voter of the town and shall perform the duties of the office until the next annual meeting or until another election is qualified.

Pursuant to the Town's General Bylaws, if a vacancy occurs on the Leicester Advisory Committee, the Board of Selectmen, the Moderator, and the remaining members of the Advisory Board shall by 2/3 vote of those present fill any unexpired term to the Advisory Committee as soon as possible after the Town Clerk has been notified that a vacancy exists.

When filling Advisory Committee or elected board vacancies the Board of Selectmen shall invite the candidate(s) to a joint meeting of the boards for an interview. The Chairman of the Board will allow each Selectman to ask questions of the candidate and make further comment. The Chairman will then allow each member of the subject board present to ask questions of the candidate and make further comment. The Selectman Chair will then conduct an alternating roll call vote with a Selectman voting first, a member of the subject board second, and so on.

### **ADVISORY COMMITTEES OF THE BOARD OF SELECTMEN**

The Board may appoint standing or ad hoc advisory committees to aid on matters under the Board's jurisdiction. The use of such advisory committees provides greater expertise and more widespread citizen participation in the operation of the government.

Charge or scope of work for these advisory groups shall be in writing and shall include the work to be undertaken, the time in which it is to be accomplished, and the procedures for reporting to the Selectmen. Each committee must report in writing at least annually to the Selectmen. The Selectmen's Office shall be sent copies of all committee agendas and minutes. The Board will discharge committees upon the completion of their work.

The charge or scope of work and membership of standing advisory committees shall be reviewed periodically - at least annually - to assess the necessity and desirability of continuing the committee. Reappointments will be based on an evaluation of the member's contribution, the

desirability of widespread citizen involvement and the changing needs of the committee and the Town.

It is the policy of the Selectmen to appoint qualified citizens representing all sections of the Town to all such advisory committees. The Board will normally appoint no individual to more than one standing advisory committee at any one time.

In order to attract qualified and interested persons, vacancies will be made public as far in advance of appointment as practicable.

## **2.13 BOARD RELATIONS**

### **RELATIONS WITH OTHER TOWN BOARDS, COMMITTEES AND COMMISSIONS**

1. Set town-wide goals and priorities.
2. Identify and anticipate major problems, working together toward their mutual resolution.
3. Develop a process for dealing with other governments.
4. Therefore, as the Executive Board historically responsible for the overall leadership and coordination of Town affairs, the Selectmen will:

Regularly scheduled meetings with the chairman of major boards and committees to carry out functions numbered 1, 2, and 3 as listed above. One meeting shall, if possible, be held within two months prior to the Annual Town Meeting for the purpose of reviewing the warrant and expediting town meeting;

### **2.14 HEARINGS BEFORE THE BOARD**

Variations may be necessary to comply with statutory requirements applicable to particular matters. The procedures for conducting license hearings and utility hearings are hereinafter outlined below. (The procedure for conduction Dog Hearings follows this section.)

2. Hearings will be held in open session unless otherwise voted by the Board in compliance with Open Meeting Law.
3. The Chairman will announce the nature and purpose of the hearing, identify the particular matter, and recite the notice given.

## **DOG HEARINGS**

A written complaint sworn under oath must be filed with the Board of Selectmen. The complaint should describe and name the dog and fully identify the owner. The complaint should further specify why and how the dog is considered to be vicious; specify all times, dates and reasons.

Upon receipt of a request for a hearing, a hearing will be set and included in the agenda for a regular meeting; or, at the discretion of the Chairman, the complaint may be referred to the Town Administrator or his/her designee for mediation. In either case the Secretary will notify the Animal Control Officer and all involved persons. Advertisement of hearing is not required. Hearings will be held in open session. The procedure for conducting a hearing is as follows:

1. Read sworn complaint - fully identify and describe dog, present picture when available. Note that the hearing is being conducted under Chapter 140, Section 157 of the MGLs. 7. Unless requested by the Board, the dog shall not attend the hearing.

## **2.15 TOWN MEETINGS**

The Selectmen may insert articles into a Town Meeting Warrant on their own initiative, by a written request from an elected board or individual, by written petition from ten (10) registered voters for the Annual Town Meeting or by written petition signed by one hundred (100) registered voters for a Special Town Meeting. The Selectmen may also consider articles upon written request of another board, committee or department head.

### **1. Special Town Meetings**

The Selectmen will call a Special Town Meeting when deferment of a particular matter will not serve the best interest of the Town. The Selectmen must call a Special Town Meeting if they

receive a written request, signed by two hundred (200) registered voters. It is the practice of the Town of Leicester to address major issues at the Annual versus a Special Town Meeting. Zoning articles are encouraged to be placed on the usually held Fall Special Town Meeting.

Notwithstanding the above, in the interest of economy of operations and imposition on the voters, the Selectmen shall strive to limit the calling of Special Town Meetings to the minimum necessary as is otherwise in the Town's best interest. In determining whether to call a Special Town Meeting, the Selectmen may consult with other town committees, officials, and staff as appropriate. It is strongly recommended that the Moderator and Town Clerk be consulted for each Town Meeting.

*(Adopted by Board and inserted 12/04/06):*

For the purpose of this dialogue, "Town Meeting" will mean the Annual Town Meetings and Special Town Meetings.

The Board of Selectmen will hold at a minimum one meeting that is designated for any and all boards or departments to come before the Board of Selectmen to discuss and seek support for articles being proposed at the upcoming Town Meeting.

The Board will have at minimum one joint meeting with the Finance Advisory Board no less than fourteen (14) calendar days before the town meeting, but after having met or given all boards and departments an opportunity to meet with the Board of Selectmen. No other business will take place in this meeting.

The Board of Selectmen will render a recommendation on all proposed articles upon the conclusion of the joint meeting with the Advisory Board and those recommendations will be forwarded to the Chairman of the Advisory Board by the close of business on the next business day.

A recommendation of "Town Hall Floor" will not be an acceptable recommendation of the Board of Selectmen; nor will it use "Town Hall Floor" as a means to avoid final recommendations until after the joint meeting with the Finance Advisory Board.

The Board of Selectmen may render a recommendation of "Insufficient Data Provided" for any article about which a board or committee has not yet met with the Board of Selectmen to review.

### **3.0 GENERAL ADMINISTRATION**

##### **STEP 2:**

A written grievance will be submitted to the Town Administrator. Assistance in writing the grievance will be available to all individuals. All written grievances will be responded to within ten (10) working days by the Town Administrator in a format that is sensitive to the needs of the recipient (i.e. verbally, enlarged type face, etc). If the grievance is not resolved at this level it will be progressed to the next level.

##### **STEP 3:**

If the grievance is not satisfactorily resolved, citizens will be informed of the opportunity to meet and speak with the Board of Selectmen, with whom local authority for final grievance resolution lies.

*Adopted by Board of Selectmen on 9/10/07*

#### **3.2 BUY RECYCLED**

In recognition of the need to make more efficient use of our natural resources, create markets for the material collected in recycling programs, reduce solid waste volume and disposal costs, and

serve as a model for private and public institutions, the Town of Leicester is committed to purchasing products, which are environmentally preferable and /or made of recycled materials whenever such products meet quality requirements and are available at reasonable price and terms.

To the maximum extent practicable the following standards should be adhered to:

1. For all purchases of printing and writing paper for in-house use or custom printed materials by professional printers, including copier paper, offset paper, forms, stationary, envelopes, tables, notepads and file folders, the minimum content standards shall be no less than 30% post consumer recycled material to meet the current state and federal minimum standards
2. Town departments shall ensure that all contracts for printing require the inclusion of an imprint identifying the recycled content of the paper whenever practicable, along with the recycling symbol.
3. Each department shall implement paper reduction techniques through the use of duplexing, sharing and circulating materials, use of electronic mail, and reuse of discarded paper for draft works, scrap paper and internal messages.

September 17, 2007

#### Options to add to the basic policy

1. Any deviation from the standards under part “1” above must be approved by the town administrator (or other appropriate municipal chief/ board). The decision not to procure recycled content printing and writing paper meeting these standards shall be based solely on a determination that a satisfactory level of competition does not exist, that items are not available under a reasonable time period, or that items fail to meet reasonable performance standards or are only available at an unreasonable price.
2. Consider targeting additional items to be purchased only with recycled content, such as but not limited to, janitorial paper products, paint, remanufactured toner cartridges and other office (cubical) panels, office supplies, trash bags, energy efficient office equipment, re-refined oil and anti-freeze. (This can be done in the initial policy, or added afterwards).
3. The head of each Town Department should incorporate waste prevention and recycling in daily operations and should work to expand markets for recovered materials through greater preference and demand for recycled products and by revising current purchasing specifications to encourage and promote their purchase.
4. Town Departments shall implement a price preference (10% if possible) to encourage the procurement of recycled and environmentally preferable products.
5. The Town shall require its contractors and consultants to use and specify recycled products in fulfilling contractual obligations wherever practicable.

### **3.3 PROCEDURES FOR DESIGNER SELECTION**

1. Applicability. These procedures shall govern the procurement of “design services” (as such phrase is defined by G.L. c.7, §38A½) for all public building projects where (1) the design fee for the project is estimated to cost \$10,000 or more; or (2) the construction of the project is estimated to cost \$100,000 or more. See G.L. c.7, §38C(e).

2. Exempt Projects. 4. The Board of Selectmen shall designate the individual or group of individuals (hereinafter referred to as "the Committee") who will conduct the designer selection process.
5. No member of the Committee shall participate in the selection of a designer for any project if the member, or any of the member's immediate family:
  - (a) has a direct or indirect financial interest in the award of the design contract to any applicant;
  - (b) is currently employed by, or is a consultant to or under contract to, any applicant;
  - (c) is negotiating or has an arrangement concerning future employment or contracting with any applicant; or

At least two weeks before the deadline for filing applications, a Request for Proposals (RFP) for each contract subject to these procedures shall be advertised (1) in a newspaper of general circulation in the locality of the building project; (2) in the *Central Register* published by the Secretary of the Commonwealth; (3) and in any other place required by the Board of Selectmen.
7. The advertisement shall contain the following information:

8. The RFP shall include the current Massachusetts Designer Selection Board “Standard Designer Application Form for Municipalities and Public Agencies Not Within DSB Jurisdiction.” The Application Form may be amended to include additional information on a project-specific basis.

- (e) any other criteria that the Committee considers relevant to the project.

10. The Committee shall select at least three finalists. Finalists may, in the discretion of the Committee, be required to appear for an interview or provide additional information to the Committee, and if any finalist is required so to appear, all other finalists will be afforded an equal opportunity to do so.

11. The Committee shall rank the finalists in order of qualification and transmit the list of ranked finalists to the Board of Selectmen. An applicant shall not be eligible to be selected as a finalist if that applicant, or if any of that applicant’s consultants identified in the application, is debarred pursuant to M.G.L. c.149, §44C.

12. The list of finalists submitted to Board of Selectmen will be accompanied by a written explanation of the reasons for selection, including the recorded vote, if any. The written explanation and recorded vote, if any, shall be public records and shall be maintained in the Town’s contract file.

13. If the design fee was fixed by the Town prior to the advertisement of the project and the designer selection process, the Board of Selectmen shall select a designer from the list of finalists submitted by the Committee. If the Board of Selectmen selects a designer other than the one ranked first by the Committee, the Board of Selectmen shall file a written justification for the selection with the Committee and maintain a copy of such justification in the Town’s contract file.

14. If the design fee is to be negotiated, however, the Board of Selectmen shall review the list of finalists submitted by the Committee and may exclude from such list any designer if a written explanation of any such exclusion is filed with the Committee and maintained in the Town’s contract file. The Board of Selectmen shall request a fee proposal from the first-ranked designer remaining on the list and begin fee negotiations. If the Board of Selectmen is unable to negotiate a satisfactory fee with the first-ranked designer, negotiations shall be terminated and undertaken with the remaining designers, one at a time, in the order in which they were ranked by the Committee, until agreement on a fee is reached. If the Board of Selectmen is unable to negotiate a satisfactory fee with any of the finalists, the Board of Selectmen shall recommend that the Committee select additional finalists.

15. The Town may, in its sole discretion, allow a designer who conducted a feasibility study to continue with the design of a project. The Town may, also in its sole discretion, commission an

independent review, by a knowledgeable and competent individual or business doing such work, of the feasibility of the designer's work to insure its reasonableness and its adequacy before allowing the designer to continue on the project, provided that the Town otherwise complies with the statutory requirements for selecting a designer under the Designer Selection Law.

16. Every contract for design services shall include the following:

- (a) certification that the applicant has not given, offered, or agreed to give any person, corporation, or other entity any gift, contribution or offer of employment as an inducement for, or in connection with, the award of the contract for design services;

- (c) certification that no person, corporation, or other entity, other than a bona fide full-time employee of the applicant, has been retained or hired by the applicant to solicit for or in any way assist the applicant in obtaining the contract for design services upon an agreement or understanding that such person, corporation, or other entity be paid a fee or other consideration contingent upon the award of the contract to the designer; and

17. All fees shall be stated in design contracts, and in any subsequent amendments thereto, as a total dollar amount. Contracts may provide for equitable adjustments in the event of changes in scope or services.

18. The Town shall not enter into a contract for design services unless the Town or the designer has obtained professional liability insurance covering negligent errors, omissions, and acts of the designer or of any person or business entity for whose performance the designer is legally liable arising out of the performance of the contract. The total amount of such insurance shall at a minimum equal the lesser of one million dollars or 10 percent of the project's estimated cost of construction, or such larger amounts as the Town may require, for the applicable period of limitations. A designer required by the Town to obtain all or a portion of such insurance coverage at its own expense shall furnish a certificate or certificates of insurance coverage to the Town prior to the award of the contract.

19. Every contract for design services shall include a provision that the designer or its consultants shall not be compensated for any services involved in preparing changes that are required for additional work that should have been anticipated by the designer in the preparation of the bid documents, as reasonably determined by the individual responsible for administering the design contract.

20. In the event of an emergency that precludes the normal use of these designer selection procedures, the Board of Selectmen may elect to authorize expedited procedures to address the emergency. The Board of Selectmen shall document in writing the reasons for the emergency declaration, the proposed scope of work, the estimated cost of construction, the established fee for

the needed design services, and any other relevant information. In such event, the Board of Selectmen may select three finalists from any standing list of designers who have applied for projects of a similar nature, or may otherwise select three designers to be considered as finalists for the project. The Board of Selectmen shall rank the finalists in order of qualification and select the designer for the emergency work.

21. The Town shall publish the name of any designer awarded a contract in the *Central Register*.

22. The following records shall be kept by the Town:

- (a) all information supplied by or obtained about each applicant;

All records shall be available for inspection by the state Designer Selection Board and other authorized agencies.

23. The Town shall evaluate designers' performance on contracts in accordance with M.G.L. c. 7, §38E(g).

24. These procedures are intended to be consistent with, and are subject to, the Designer Selection Law. In the event of any inconsistency among these procedures and the provisions of the Designer Selection Law, as existing as of the date of the adoption of these procedures or as subsequently amended by the Legislature, the provisions of the Designer Selection Law shall control.

25. For any municipal design or construction project *that includes funding provided by the Commonwealth, in whole or in part* (such as reimbursements, grants and the like), cities and towns must incorporate minority-owned business enterprise and women-owned business enterprise participation goals. If applicable, the Awarding Authority shall take steps to assure that it complies with all State Office of Minority and Women Business Assistance requirements.

### **3.4 FUEL EFFICIENT VEHICLES**

#### **Policy statement**

In an effort to reduce carbon dioxide emissions, fuel consumption, and energy costs, the Town of Leicester Board of Selectmen is hereby committed to purchasing only fuel efficient vehicles to meet this goal, effective immediately.

#### **Purpose**

The purpose of this policy is to establish practice that the Town of Leicester shall purchase only fuel efficient vehicles for municipal use, whenever such vehicles are commercially available and practicable.

#### **Definitions**

*Combined city and highway MPG (EPA Combined Fuel Economy (CFE)):*

Combined Fuel Economy means the fuel economy from driving a combination of 43% city and 57% highway miles and is calculated as follows:

$$=1/((0.43/City\ MPG)+(0.57/Highway\ MPG))$$

Drive System:

The manner in which mechanical power is directly transmitted from the drive shaft to the wheels.

The following codes are used in the drive field:

- AWD = All Wheel Drive: 4-wheel drive automatically controlled by the vehicle power-train system
- 4WD = 4-Wheel Drive: driver selectable 4-wheel drive with 2-wheel drive option
- 2WD = 2-Wheel Drive

Heavy-duty vehicle:

A vehicle with a manufacturer’s gross vehicle weight rating (GVWR) of more than 8,500 pounds.

**Applicability**

This policy applies to all divisions and departments of the Town of Leicester, including School Department.

**Guidelines**

All departments shall purchase only fuel-efficient vehicles for municipal use, whenever such vehicles are commercially available and practicable.

The Town of Leicester will maintain an annual vehicle inventory for both exempt and non-exempt vehicles and a plan for replacing these vehicles with vehicles that meet, at a minimum, the fuel efficiency ratings contained in the most recent guidance for Criteria 4 published by the Massachusetts Department of Energy Resources’ “Green Communities Division”. The fuel efficiency ratings contained therein are based on the most recently published US Environmental Protection Agency combined city and highway MPG ratings for vehicles.

This “Green Communities” guidance for Criteria 4 must be checked for updates prior to ordering replacement vehicles.

**Exemptions**

Heavy-duty vehicles are exempt. Examples include fire-trucks, ambulances, and some public works trucks that meet the definition of “heavy-duty vehicle”.

Police cruisers, passenger vans, and cargo vans are exempt from this criterion as fuel efficient models are not currently available. However, we commit to purchasing fuel efficient police cruisers, passenger vans, and cargo vans when they become commercially available. Police and fire department administrative vehicles are NOT exempt and must meet fuel efficient requirements.

**Inventory**

The following information shall be included in a vehicle inventory list and said list shall be updated on an annual basis:

Model	Make	Model Year	Drive System	Year/month Purchased	> 8500 pounds? (yes/no)	Exempt or non-exempt	MPG Rating	Vehicle Function
			2-WD 4-WD A-WD					

*NOTE: Departments may use EPA combined MPG estimates or actual combined MPG.*

**Anti-idling policy**

No employee of the Town of Leicester shall allow operation of the engine of a motor vehicle while said vehicle is stopped for a foreseeable period of time in excess of five minutes, unless such operation is necessary.

**Fuel efficient vehicle replacement plan**

The Town of Leicester shall develop a plan to replace all non-exempt vehicles with fuel efficient vehicles as defined above. Said plan shall outline the process by which the Town will replace vehicles, set goals for when the existing fleet will be replaced, and review said plan on an annual basis.

**Questions / Enforcement**

Inquiries should be directed to the department responsible for fleet management and/or fleet procurement. This policy is enforced by the Board of Selectmen and/or their designee(s).

Pursuant to MGL Ch. 30B, section 15(f)

The intent of this policy is to maximize the revenue the Town generates from the disposal of surplus supplies and equipment through an efficient process.

1. The term “surplus supplies” includes motor vehicles, machinery, computer equipment, furniture, scrap metal, furniture and other materials and supplies.

2. For those supplies and equipment with an estimated net value of less than \$5,000, submit a memorandum from the Department Head to the Town Administrator seeking approval to declare

the supplies to be surplus. Provide a list of the items to be disposed of and an estimated value of the items.

3. After receiving the Town Administrator’s approval offer surplus supplies to other departments.

4. If the surplus supplies are not needed by any other departments, the Town Administrator may authorize any of the additional procedures to be followed:

- A. Trade-in with the purchase of equipment
- B. Sell to other governmental units that are known to be interested
- C. Seek quotes from three or more parties/vendors
- D. Advertise the equipment publically using no-cost advertising and inform the Board of Selectmen of available equipment prior to a sale or auction

5: The Town Administrator shall authorize the final disposal of any surplus supply with a final value of no more than \$1,000 as determined by the procedures defined in section 4. 7. Information technology equipment can be passed on through departments, recycled, and sold externally only after being “decommissioned”. Failing to do so can cause problems if data is not removed in a satisfactory manner because these systems may contain disks that hold information that is confidential and proprietary in nature. The Town Administrator shall document the decommissioning for each piece of IT equipment. The original user or records custodian shall be sure to save files for future use an in accordance with applicable public records laws. In addition to records and files, software must be removed in order to adhere to various licensing agreements.

8: The Town reserves the right to accept or reject any or all offers. All sales shall be made on an “as is”, “where is” basis. ## **4.0 FINANCIAL**

### **4.1 FREE CASH POLICY**

#### **Purpose**

This policy sets forth guidelines for the use of certified free cash in the operating budget, capital budget and stabilization fund. The goal of this policy is to reduce the use of free cash in the operating budget and instead invest free cash into the capital budget, stabilization fund and other one-time expenses to build and maintain long term reserves for the Town.

#### **Definitions**

Free cash is a revenue source consisting of a community's remaining, unrestricted operating funds from the previous fiscal year. The calculation of free cash is based on the balance sheet as of June 30<sup>th</sup>. Free cash must be certified annually the Department of Revenue before it can be appropriated by Town Meeting.

#### **Policy**

The Town will strive to generate free cash in an amount equal to 3-5% of its annual budget as recommended by the Department of Revenue. The purpose of maintaining an unappropriated amount of free cash is to provide for cash flow and to have funds available if necessary for emergency appropriation. Free cash will not be depleted in any year so the following year's calculation can begin with a positive balance. Conservative revenue projections and departmental appropriations will be used. The Town's goal is to limit the amount of free cash used in the operating budget to a sustainable level and use these available funds for non-recurring one-time expenses such as capital items and unexpected/extraordinary expenses which would be otherwise carried over to the following year. The Town will not use Free Cash as a source to balance its operating budget.

#### **Procedure**

The Town Administrator shall review and assess the overall financial condition of the Town. Thereafter, the Town Administrator will propose a plan for the utilization of free cash to the Board of Selectmen in accordance with the policy above. The Town Administrator shall use the following goals as a guide when establishing the plan:

- 1) At least 10% of free cash shall be reserved and not appropriated
- 2) At least 25% of the remaining free cash will be placed into the Stabilization Fund or a lesser balance if such an amount is required to meet the Town's Stabilization Fund Policy
- 3) At least 50% of the remaining free cash will be used to fund the capital budget
- 4) The remaining balance shall be utilized for additional one time needs for non-capital projects and items or shall remain not appropriated

Fiscal conditions may affect the implementation of this policy. Exceptions to the free cash policy shall be made only under extraordinary circumstances and any such exception shall be explained to the voters.

*Adopted by the Board of Selectmen on September 21, 2015*

## 4.2 UNCOLLECTIBLE ACCOUNTS RECEIVABLE POLICY

### **Purpose**

The purpose of this policy is to ensure that all reasonable measures have been taken to collect accounts receivable, improve the tracking of the Town's accounts receivable and to ensure the most efficient use of the Town's revenue collection resources. This policy will enable the Town to properly value accounts receivable through the regular review and write-off of uncollectible accounts.

### **Policy**

It is the policy of the Town of Leicester to actively pursue collection of past-due accounts receivable, regularly review the status of past-due accounts and write-off amounts determined to be uncollectible. A write-off of uncollectible accounts receivable from the Town's accounting records does not constitute forgiveness of the debt or a gift of public funds.

### **Procedure**

Collection procedures are established by the respective departments with the approval of the Town Administrator and will vary depending on the nature of the receivable. Accounts receivable should generally be written-off during the fiscal year in which an account is determined to be uncollectible. Subsequent collection of an account previously written-off will be treated as new revenue in the appropriate fund.

An account will be considered uncollectible after the appropriate collection procedures have been followed if it meets one or more of the following criteria:

- The debt is disputed and the Town has insufficient documentation to pursue collection efforts
- The cost of further collection efforts will exceed the estimated recovery amount
- The account remains unpaid after the lesser of four years or the applicable period for the commencement of a recovery action under the statute of limitations
- Neither the debtor or the debtor's assets can be located
- The debtor has no assets and there is no expectation they will have any in the future
- The debtor has died and there is no known estate or guarantor
- The debtor is a company which is no longer in business
- The debt is discharged through legal action (bankruptcy or court judgement)
- The debt has been forgiven by action of the Board of Selectmen

Each department will identify any accounts receivable for which it is responsible that meet the criteria for designation as an uncollectible account annually by January 31st. A request for write-off accounts receivable will be submitted to the Town Administrator. The request must include an itemized list of the uncollectible accounts to be written off specifying the debtor name, account balance, due date, brief description of receivable type and the criteria under which the account was deemed uncollectible. The request must be accompanied by documentation to support the uncollectible account designation and to substantiate that the department has exercised due diligence in its collection efforts.

The Town Administrator is authorized to approve the write-off of accounts up to \$10,000. Write-offs in excess of \$10,000 must be approved by the Board of Selectmen.

Once approved, uncollectible accounts may be written off of the Town's financial accounting records and no longer recognized as collectible receivables for financial reporting purposes, but the legal obligation to pay the debt still remains.

The Town Administrator will provide an annual report of uncollectible accounts receivable which have been written-off to the Board of Selectmen in February of each year.

*Adopted by the Board of Selectmen on September 21, 2015*

### **4.3 RETIREE HEALTH INSURANCE PAYMENT RULE**

#### **Basis.**

This Rule is issued pursuant to M.G.L. c. 32B, Section 11.

#### **Purpose**

The purpose of this Rule is to establish procedures for the payment of health insurance premiums by retired Town employees.

#### **Rule**

1. Employees who retire from service with the Town of Leicester are eligible to participate as members in the group health insurance plans that are made available by the Town in accordance with those plans for retired employees, subject to this Rule.
2. The Town will seek advice from the Health Insurance Advisory Committee regarding new contract negotiations with health insurance providers. However, the Town reserves the right to determine the plans that are made available to retired employees and the premium contributions amounts for the retirees.
3. Retiree premiums will be paid through pension check deductions. The retiree is responsible for paying any difference between the premium and the amount of his/her pension check, if the check is not sufficient to fully cover the premium amount due.
4. A retiree who fails to pay by the date specified will be dropped from active coverage in the Town's health and will not be eligible to reenroll until the next available open enrollment period, in accordance with this Rule as indicated below.

2. Premiums for retiree health insurance plans will first be paid through pension check deductions taken from the retirees’ monthly pension check. Should the deduction amount exceed the amount of the pension check, the retiree is responsible for paying the difference up to the full amount of the premium for which a retiree is responsible. At no time will a retiree be permitted to be more than sixty (60) days in arrears on payments.

3. Any premium balance remaining after pension check deduction must be paid to the Treasurer/Collector prior to the 15<sup>th</sup> day of the billing month for the following month’s insurance coverage. 4. If the full amount is not received by the 15<sup>th</sup> day of the second consecutive coverage month, the retiree will be subject to removal from the insurance plan. *Adopted by the Board of Selectmen on June 6, 2016*

## **5.0 PERSONNEL**

### **5.1 CONFIDENTIALITY**

During the course of work for the Town of Leicester, individuals will come in contact with confidential information. Under Massachusetts General Law (Chapter 268A, Section 23, and Chapter 214, Section 1B) individuals are required to safeguard this confidential information, whether an appointed or elected official or employee, with the Town of Leicester.

Strict confidence must be maintained and confidential information must not be released to any unauthorized person, including family members or friends.

Divulging any confidential information learned in the course of performing duties to an unauthorized person may subject individuals to discipline.

### **5.2 DISCRIMINATORY HARASSMENT POLICY**

#### **Introduction**

It is the goal of the Town of Leicester to promote a workplace that is free of discriminatory harassment of any type, including sexual harassment. Discriminatory harassment consists of unwelcome conduct, whether verbal or physical, that is based on a characteristic protected by law, such as sex, race, color, national origin, religion, age, disability, or sexual orientation. The Town of Leicester will not tolerate harassing conduct that affects employment conditions, that interferes unreasonably with an individual's performance, or that creates an intimidating, hostile, or offensive work environment.

Harassment of employees occurring in the workplace, in connection with work-related travel, and/or work-sponsored events will not be tolerated. Further, any retaliation against an individual who has complained about harassment or retaliation against individuals for cooperating with an investigation of a harassment complaint is similarly unlawful and will not be tolerated.

Because the Town of Leicester takes allegations of harassment seriously, we will respond promptly to complaints of harassment. Where it is determined that inappropriate conduct has occurred, we will act promptly to eliminate the conduct and impose such corrective action as is necessary, including disciplinary action where appropriate.

Please note that while this policy sets forth our goals of promoting a workplace that is free of harassment, the policy is not designed or intended to limit our authority to discipline or take remedial action for workplace conduct which we deem unacceptable, regardless of whether that conduct satisfies the definition of harassment.

#### **Definitions**

Harassment means unwelcome conduct, whether verbal or physical, that is based on a characteristic protected by law. Harassment includes, but is not limited to:

1. Display or circulation of written materials or pictures that are degrading to a person or group as previously described.
2. Verbal abuse, slurs, derogatory comments, or insults about, directed at, or made in the presence of an individual or group as previously described.

Sexual harassment means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

For additional information, refer to the *Town of Leicester Sexual Harassment: Policy and Procedures*, adopted by the Board of Selectmen February 18, 1997.

### **Complaint Procedures**

All employees, managers, and supervisors of the Town of Leicester share responsibility for avoiding, discouraging, and reporting any form of discriminatory harassment. The primary responsibility for ensuring proper investigation and resolution of harassment complaints rests with Kevin J. Mizikar, Town Administrator, or his designee, who will administer the policy and procedures described herein.

If any employee of the Town of Leicester believes he or she has been subjected to discriminatory harassment, the employee has the right to file a complaint with our organization. This may be done in writing or orally. In addition, residents, visitors, applicants, vendors, contractors, their agents and employees, or other third parties who believe they have been subjected to discriminatory harassment may also file a complaint with our organization using the procedures described herein. Furthermore, employees may also file a complaint if they have been subjected to harassment in the workplace from residents, visitors, applicants, vendors, contractors, their agents and employees, or any other third parties, while performing work-related duties, or during other work-related activities.

Prompt reporting of harassment is in the best interest of our organization and is essential to a fair, timely, and thorough investigation. Accordingly, complaints should be filed as soon as possible following the incident(s) at issue. If you would like to file a complaint you may do so by contacting Kevin J. Mizikar, 3 Washburn Square, Leicester, MA 01524 at (508) 892-7000. Mr. Mizikar is also available to discuss any concerns you may have and to provide information to you about our policy on harassment and our complaint process.

### **Complaint Investigation**

When we receive the complaint, we will promptly investigate the allegation in a fair and expeditious manner to determine whether there has been a violation of our policy. The investigation will be conducted in such a way as to maintain confidentiality to the extent

practicable under the circumstances. Our investigation will include private interviews with the person filing the complaint and with witnesses. We will also interview the person alleged to have committed harassment. The complainant, the person alleged to have committed harassment, and all witnesses are required to fully cooperate with all aspects of an investigation. Attorneys are not permitted to be present or participate in the complaint investigation. When we have completed our investigation, we will, to the extent appropriate, inform the person filing the complaint and the person alleged to have committed the conduct of the results of that investigation.

Notwithstanding any provision of this policy, we reserve the right to investigate and take action on our own initiative in response to behavior and conduct which may constitute harassment or otherwise be inappropriate, regardless of whether an actual complaint has been filed.

If it is determined that inappropriate conduct has occurred, we will act promptly to eliminate the offending conduct, and where it is appropriate we will also impose disciplinary action.

### **Disciplinary Action**

If it is determined that inappropriate conduct has been committed by one of our employees, we will take such action as is appropriate under the circumstances. Such action may range from counseling to termination from employment, and may include such other forms of disciplinary action as we deem appropriate under the circumstances.

### **State and Federal Remedies**

In addition to the above, if you believe you have been subjected to discriminatory harassment of any type, including sexual harassment, you may file a formal complaint with either or both of the government agencies set forth below. Using our complaint process does not prohibit you from filing a complaint with these agencies. Each of the agencies requires that claims be filed within 300 days from the alleged incident or when the complainant became aware of the incident.

### **5.3 HARASSMENT OF INDIVIDUALS IN PROTECTED CLASSES**

#### **Introduction**

The Town of Leicester (the “Town”) depends upon a work environment of tolerance and respect for the achievement of its goals. The Town is committed to providing a working environment that is free of all forms of abuse or harassment. The Town recognizes the right of all employees to be treated with respect and dignity.

Harassment on the basis of race, creed, color, national origin, gender, age, military status, physical or mental disability, sexual orientation, or genetic information (hereafter referred to as “protected class harassment”) is a form of behavior that adversely affects the employment relationship. It is prohibited by Federal and/or State law. Protected class harassment of individuals occurring in the workplace or in other settings in which individuals of the Town may find themselves in connection with their employment is unlawful and will not be tolerated by the Town. The Town also condemns and prohibits protected class harassment by any applicant, client, vendor or visitor.

Because the Town takes allegations of protected class harassment seriously, we will respond promptly to complaints of protected class harassment and where it is determined that inappropriate conduct has occurred, we will act promptly to eliminate the conduct and impose such corrective action as is necessary, including disciplinary action where appropriate, including discharge.

It is important to note that while this policy sets forth our goals of promoting a workplace that is free of protected class harassment, the policy is not designed or intended to limit our authority to discipline or take remedial action for workplace conduct which we deem unacceptable, regardless of whether that conduct satisfies the definition of protected class harassment.

#### **Definition of Protected Class Harassment**

Protected class harassment refers to behavior, which is not welcomed by the employee, which is personally offensive to him or her, and which undermines morale and/or interferes with the ability of the employee to work effectively. While it is not possible to list all of the circumstances that may constitute protected class harassment, depending upon the totality of the facts, including the severity of the conduct and its pervasiveness, following is a list of situations that could constitute protected class harassment.

verbal abuse on the basis of any protected status;

use of words that degrade a protected class or person because of his/her protected class status;

jokes or language about a protected class;

obscene or suggestive gestures or sounds intended to relate to the protected class;

teasing related to the protected class;

verbal comments of a nature about an individual's appearance or terms used to describe an individual that are related to the individual's protected class;

verbal abuse, comments, jokes, teasing or threats directed at a person because of his/her protected class status;

posting or distributing objects, pictures, cartoons or other materials degrading to the protected class or a person because of his/her protected class status;

letters or notes that degrade the protected class or a person because of his/her protected class status;

sending offensive or discriminatory messages or materials through the use of electronic communications (e.g., electronic mail, including the Internet, voice mail and facsimile) which are degrading to the protected class or a person because of his/her protected class status;

condoning harassment on the basis of protected class.

Harassment on the basis of protected class status is not limited to behavior by a non-member of the protected class. Protected class harassment can occur in a variety of circumstances. Here are some things to remember:

The harasser does not have to be the victim's supervisor;

A member of the protected class may be victimized by another member of the protected class;

The victim does not have to be the person at whom the unwelcome protected class harassment is directed;

The victim may be someone who is affected by the harassing conduct, even when it is directed toward another person, if the conduct creates an intimidating, hostile, or offensive working environment for the co-worker or interferes with the co-worker's work performance.

### **Individual Responsibilities**

Each individual of the Town is personally responsible for:

ensuring that his/her conduct does not harass any other employee or person with whom the employee comes in contact on the job, such as an outside vendor;

cooperating in any investigation of alleged protected class harassment by providing any information he/she possesses concerning the matter being investigated;

actively participating in efforts to prevent and eliminate protected class harassment and to maintain a working environment free from such discrimination; and

ensuring that an employee who files a protected class harassment claim or cooperates in an investigation may do so without fear of retaliation or reprisal.

### **The Rule**

It is, therefore, against the policy of the Town for any individual, whether a member of a protected class or not, to harass another individual on the basis of protected class status by:

making submission to such conduct either implicitly or explicitly a term or condition of an employee's employment;

making submission to, or rejection of, such conduct by an individual the basis for employment decisions affecting the employee;

intending to or having the effect of interfering with an individual's work performance; or

by creating a hostile or intimidating work environment for the employee.

It is also against the policy of the Town for an individual to harass any person with whom the employee comes in contact on the job or to engage in any protected class harassment or inappropriate or unprofessional conduct in the workplace.

### **Retaliation**

Retaliation against an individual for filing a complaint of protected class harassment or against any individual for cooperating in an investigation of a protected class harassment complaint is against the law.

### **Violation of Policy**

Any individual violating this policy will be subject to appropriate discipline, including possible discharge.

### **Procedures for Complaints**

#### **Complaint**

The Town has designated a Protected Class Harassment Grievance Officer. The current Protected Class Harassment Grievance Officer is Kevin J. Mizikar, Town Administrator, can be reached at 3 Washburn Square, Leicester MA 01524 and his telephone number is (508)892-7000. If you would prefer, you may contact Kathleen Asquith, Assistant Assessor, who has been designated as the Alternate Protected Class Harassment Grievance Officer. She can be reached at 3 Washburn Square, Leicester MA 01524 and her telephone number is (508)892-7001.

If any individual believes he or she has been subject to protected class harassment on the basis of his/her protected class, the individual should initiate a complaint by contacting the Protected Class Harassment Grievance Officer as soon as possible. The individual should file the complaint promptly following any incident of protected class harassment. The individual should be aware that the longer the period of time between the event giving rise to the complaint and the filing, the more difficult it will be for the Protected Class Harassment Grievance Officer to reconstruct what occurred. The individual will be requested to write out his or her complaint to document the charge.

If an employee prefers to discuss a possible protected class harassment problem with his or her supervisor, the employee may always do so, but employees do not have to go through the regular chain of supervision when reporting protected class harassment and may go directly to the Grievance Officer.

### **Investigation**

On receiving the complaint, the Protected Class Harassment Grievance Officer or the Alternate Protected Class Harassment Grievance Officer will promptly have a review made into the matter. If after the completion of this review it is determined that there is a reasonable basis for finding a violation of this policy, the Town will conduct an investigation. The charged employee will be requested to respond to the complaint. The investigation will be made to the extent appropriate in each case. This process will be confidential to the extent consistent with an effective investigation, subject to the business needs of the Town.

### **Decision**

After the response of the charged individual has been made, and any further investigation which may be warranted has been carried out, the Town will make a final decision. If the Town finds that the allegations in the complaint have been established by the investigation, the Town will initiate discipline of the charged individual. Discipline will be appropriate to the offense and employees involved, and may include discharge.<sup>1</sup>

The complainant will be notified of the disposition of the investigation.

### **State and Federal Agencies**

The Massachusetts Commission Against Discrimination (“MCAD”), located at One Ashburton Place, Boston, MA 02108, and 436 Dwight Street, Springfield, MA 01103, is responsible for enforcing the Massachusetts discrimination and protected class harassment law, and the U.S. Equal Employment Opportunity Commission (“EEOC”) is responsible for enforcing the federal law prohibiting protected class harassment. The EEOC is located at JFK Federal Office Building, Government Center, Room 475, Boston, MA 02203. They may be contacted at the above addresses. A complaint to the MCAD must be filed within 300 days. A complaint under the federal law should be filed within 180 days, but under certain circumstances, a federal complaint may be filed within 300 days.

### **Adoption by Board of Selectmen**

This Policy was adopted by the Board of Selectmen on January 24, 2011.

## **5.4 CRIMINAL OFFENDER RECORDS INFORMATION - BACKGROUND CHECKS**

The Town of Leicester Board of Selectmen hereby authorizes and instructs the Town Administrator, in compliance with MGL Chapter 6 Section 167 through Section 178, to obtain background checks for all Leicester employees hired after January 1, 2012, all new hires and volunteers, and those applicants seriously being considered for hire after screening as described below.

---

<sup>1</sup> Employees of the Town that are members of a bargaining unit shall be subject to discipline in accordance with the terms of the applicable Collective Bargaining Agreement.

The Town Administrator, or his designee, shall apply on behalf of the Town for appropriate authorization of certification to be issued by the Criminal History Systems Board (CHSB) and shall cause the Town to become Criminal Offender Record Information (CORI) certified. The Town Administrator, or his designee, shall act on behalf of the Town by requesting CORI information to the extent permitted by law for:

1. All Town employees hired after December 19, 2011, including all seasonal employees whenever hired;
2. All volunteers associated after December 19, 2011 with Town programs or facilities who have contact with or access to children, the disabled, or the elderly;
3. All applicants hired or seriously being considered for hiring after December 19, 2011 and upon screening by the Board of Selectmen, whether such positions are seasonal or permanent. When possible, CORI information will be obtained before such screened applicants to these positions are approved. When not possible, CORI information shall be obtained by the Town Administrator, or his designee, within thirty days of such screened applicant's approval by the Board of Selectmen.
4. CORI information will also be obtained by the Town Administrator or the appropriate CORI certified department manager for all police, firefighter and liquor license applicants.

Under the following Procedures

1. All applicants will be notified that a CORI check will be conducted. If requested, the applicant will be provided with a copy of the CORI policy.
2. Unless otherwise provided by law, a criminal record will not automatically disqualify an applicant. Rather, determinations of suitability based on CORI checks will be made consistent with this policy and any applicable law or regulations.
3. If a criminal record is received from CHSB, the authorized individual will closely compare the record provided by CHSB with the information on the CORI request form and any other identifying information provided by the applicant, to ensure the record relates to the applicant.
4. If the Town is inclined to make an adverse decision based on the results of the CORI check, the applicant will be notified immediately. The applicant shall be provided with a copy of the criminal record and the organization's CORI policy, advised of the part(s) of the record that make the individual unsuitable for the position or license, and given an opportunity to dispute the accuracy and relevance of the CORI record.
5. Applicants challenging the accuracy of the policy shall be provided a copy of CHSB's ***Information Concerning the Process in Correcting a Criminal Record***. If the CORI record provided does not exactly match the identification information provided by the applicant, (organization name) will make a determination based on a comparison of the CORI record and documents provided by the applicant. The (organization name) may contact CHSB and request a detailed search consistent with CHSB policy.
6. If the Town reasonably believes the record belongs to the applicant and is accurate, based on the information as provided in section 6 of this policy, then the determination of suitability for the position or license will be made. Unless otherwise provided by law, factors considered in determining suitability may include, but not be limited to the following:
  - (a) Relevance of the crime to the position sought;

- (b) The nature of the work to be performed;
  - (c) Time since the conviction;
  - (d) Age of the candidate at the time of the offense;
  - (e) Seriousness and specific circumstances of the offense;
  - (f) The number of offenses;
  - (g) Whether the applicant has pending charges;
  - (h) Any relevant evidence of rehabilitation or lack thereof;
  - (i) Any other relevant information, including information submitted by the candidate or requested by the hiring authority
7. The Town will notify the applicant of the decision and the basis of the decision in a timely manner.

The order or level in which the Town Administrator will obtain such CORI information shall be:

- 1. Pursuant to general authorization of certification to the CHSB;
- 2. An application for a position-specific authorization to the CHSB where appropriate;
- 3. A public access request to the CHSB in the event that general authorization is inapplicable or unavailable.

The Town Administrator, or his designee, may also employ a third-party background checking service or agency, provided that there is compliance with relevant provisions of the Fair Credit Reporting Act or other applicable statutes.

(Exempt from this policy will be the employees subject to the reporting requirements of MGL Chapter 71, Section 38R.)

## **5.5 FAMILY AND MEDICAL LEAVE**

An employee who has worked for the Town of Leicester (Town) for at least twelve (12) months (whether or not consecutive) and for at least 1,250 hours during the previous twelve (12) months is entitled to take Family and Medical Leave (FMLA) under the circumstances described below.

### **Qualifying Reasons for Leave**

The Town will allow eligible employees to take Family Medical Leave for the following qualifying reasons:

pregnancy or the birth of a child;  
placement of a child with the employee for adoption or foster care;

serious illness of the employee's child, stepchild, or ward who lives with the employee, foster child, parent, or spouse; or

employee's own serious illness.

“Serious illness” means an accident, disease, or physical or mental condition, including illness, injury, or impairment, that:

poses imminent danger of death;

requires inpatient care in a hospital, hospice, or nursing home; or

requires continuing treatment, including outpatient treatment, by a health care provider.

### **Military Family Leave**

Section 585(a) of the NDAA (National Defense Authorization Act) amended the FMLA to provide two new leave entitlements (effective January 28, 2008):

**Military Caregiver Leave (also known as Covered Service member Leave):** Under the first of these new military family leave entitlements, eligible employees who are family members of covered service members will be able to take up to 26 workweeks of leave in a single 12-month period to care for a covered service member with a serious illness or injury incurred in the line of duty on active duty. Based on a recommendation of the President’s Commission on Wounded Warriors (The Dole-Shalala Commission), this 26 workweek entitlement is a special provision that extends FMLA job-protected leave beyond the normal 12 weeks of FMLA leave. This provision also extends FMLA protection to additional family members (i.e., next of kin) beyond those who may take FMLA leave for other qualifying reasons.

*H.R. 2647 amended and effective 10/28/2009 expands the caregiver leave provision to include veterans who are undergoing medical treatment, recuperation or therapy for serious injury or illness that occurred any time during the five years preceding date of treatment.*

**Qualifying Exigency Leave:** The second new military leave entitlement helps families of members of the National Guard and Reserves manage their affairs while the member is on active duty in support of a contingency operation. This provision makes the normal 12 workweeks of FMLA job-protected leave available to eligible employees with a covered military member serving in the National Guard or Reserves to use for any qualifying exigency arising out of the fact that a covered military member is on active duty or called to active duty status in support of a contingency operation. The Department’s final rule defines qualifying exigency by referring to a number of broad categories for which employees can use FMLA leave including:

- short-notice deployment,
- military events and related activities,
- childcare and school activities,
- financial and legal arrangements,
- counseling,
- rest and recuperation,
- post-deployment activities, and
- additional activities not encompassed in the other categories, but agreed to by the employer and employee.

*(H.R. 2647 amended and effective 10/28/2009 expands the exigency leave benefits to include family members of active duty service members.)*

**Length of Leave – 12 weeks except where noted above under Caregiver Leave**

Eligible employees may use a maximum of twelve weeks of FMLA Leave during a rolling 12-month period. A *rolling 12-month period* is defined by the Town to be the 12-month period measured backward from the first day of any Family Medical Leave used by an employee.

Family Medical Leave need not be taken at one time. It may also be taken on an intermittent basis or used to reduce your work schedule during the period of the serious illness, if there is a medical need for such leave and that need can best be accommodated through an intermittent or reduced leave schedule. If you need intermittent Family Medical Leave or a reduced schedule, you must attempt to schedule the Leave so as not to disrupt the operations of the Town. The Town may assign you to an alternate position with equivalent pay and benefits that better accommodates your intermittent leave or reduced schedule.

**Payment for FMLA Leave**

Family Medical Leave will be unpaid unless the employee chooses to use accrued paid vacation time or sick leave. Employees have the right to use any amount of accrued, unused paid leave for any part of the 12-week period. However, accrued paid leave may not be used to extend FMLA Leave. FMLA Leave will run concurrently with absences from work covered by workers' compensation.

**Notices**

You must give reasonable notice of the need to take FMLA Leave to the Town when it is foreseeable. *Reasonable notice* means notice that is given as soon as is practicable. If the necessity for Family Medical Leave is based on planned medical treatment, you must provide at least thirty (30) days' notice and make a reasonable effort to schedule the treatment so as to not unduly disrupt the Town's operations, subject to the approval of the health care provider.

The Town requires that any Family Medical Leave request that is based on a serious illness of the employee or family member, or that is for an intermittent or reduced schedule, be supported by the certification of a health care provider on the form provided by the Town for that purpose. Copies of the Certification of Health Care Provider form are available from the Town Administrator's office. You must obtain a re-certification of the need for leave for your serious illness or that of a family member every thirty (30) days or at the end of the predicted minimum period of absence (whichever is later) in order to establish the continuing need for Family Medical Leave.

If you are taking Family Medical Leave because of your own serious illness, you must present certification from your health care provider indicating that you are able to return to work.

**Updates While on Leave**

Any employee on Family Medical Leave must report to the Town periodically, but at least once per month, regarding his/her status and intent to return to work. Additionally, an employee must notify the Town as soon as possible when he/she is able to return to work so that the organization may make the appropriate arrangements to reinstate the employee.

### **Return from Leave**

Upon returning from leave, you will be returned to your previous position, or a comparable position with equal pay, benefits, seniority, and other terms and conditions of employment, unless one of the following exceptions applies. If, during the period of Family Medical Leave, the Town would have ended your employment or you would have been laid off for reasons unrelated to the leave, the Town will not reinstate you to your previous position. Additionally, if you performed unique services and hiring a permanent replacement during the leave was necessary to prevent substantial and grievous economic injury to the Town, we will notify you of the Town's intent not to reinstate you after the expiration of your Family Medical Leave.

If you choose not to return to work at the expiration of the Family Medical Leave for reasons other than the continuation of a serious illness or reasons beyond your control, you must reimburse the Town for the employer portion of premiums it paid in maintaining group health and dental benefits during your Family Medical Leave.

If you do return from Family Medical leave, you will be restored to your former position, or to an equivalent position with equivalent pay, and you will be credited for benefits and other terms and conditions of employment for the time you were on Family Medical Leave.

Please contact the Town Administrator if you have any questions about this policy.

## **5.10 DISCIPLINE**

### **Corrective Action Principles and Procedures**

The Town expects employees to perform assigned duties at satisfactory levels, to follow accepted standards of workplace behavior, and to comply strictly with all laws, rules, and regulations. The purpose of corrective action is to correct problem situations, provide an atmosphere in which the employee can learn from past mistakes, and minimize the employee's loss of dignity and self-esteem.

Furthermore, the Town believes that certain basic principles must be consistently applied in order to effectively and fairly correct inappropriate job performance and behavior:

Employees shall be advised, within reason, of expected job performance and behavior, the types of conduct that the Employer has determined to be unacceptable, and the usual penalties for unacceptable job performance or behavior;

Immediate attention shall be given to job performance or behavior infractions;

Corrective action shall normally be applied uniformly and consistently, and each offense shall be dealt with as objectively as possible;

Corrective action shall normally be progressive in nature; and

An employee's department head shall normally be responsible for any corrective action prior to suspension, demotion, or removal. Department head's shall normally be permitted input regarding the appropriateness of suspensions, demotions, or removals.

The Town will normally follow a system of progressive corrective action when dealing with inappropriate job performance or behavior.

The Town has adopted this policy as a guide for the uniform administration of corrective action. It is not, however, to be construed in any ways as a limitation of management's rights when dealing with inappropriate job performance or behavior.

Records of instruction and counseling will normally cease to have force and effect eighteen (18) months from their effective date, providing the employee does not receive corrective measures for

the same or similar infraction during such time period. Letters or reprimand will also normally cease to have force and effect eighteen (18) months from the effective date, providing the employee does not receive corrective measures for the same or similar infraction during such time period. Records of suspension and demotion will normally cease to have force and effect thirty (30) months from the effective date, providing the employee does not receive corrective measures for the same or similar infraction during such time period.

All multiple policy infractions will normally be dealt with by following the system of progressive corrective action set forth below:

1. Informal counseling;
2. Written reprimand;
3. Suspension; and
4. Discharge.

Multiple infractions, which are unrelated, receive progressive corrective measures in accordance with the severity of the infraction.

Multiple infractions, which are related, receive progressive corrective measures regardless of the order in which the infractions occurred.

### **Complaints Procedure**

- A. The Town recognizes that within any organization, there will be occasional differences among its employees regarding interpretations of rules or other problems stemming from conditions of employment. In order to provide employees with an orderly process by which to seek resolution of such differences, the Town has established the following complaint procedure.

- B. Complaint Procedure

Step 1: Any employee having a complaint may lodge his complaint verbally with his department head. In order for the complaint to be recognized, it must be lodged within three (3) working days from the date the alleged incident which prompted the complaint occurred. Within seven (7) working days from the date the employee first presented his complaint, the department head will meet with the employee and attempt to resolve the matters.

Step 2: If the complaint is not resolved in Step 1, the employee may pursue the matter by reducing the complaint to writing and presenting such to the Town Administrator, or other designated person, within three (3) working days of the reply received in Step 1. The Town administrator, or designee will if deemed necessary, meet with the complainant to discuss the matter. The Town Administrator shall hear and decide on the matter.

Step 3: If the Town Administrator’s response is still not satisfactory to the employee, s/he may appeal to the Appointing Authority, with the same time limits as Step 2. The Appointing Authority will issue a written response that will be final and binding on all parties.

In the event of extenuating circumstances, a time limit may be extended, by the mutual agreement of both parties, in writing.

Complaints not processed by the employee to the next step of the procedure within the specified time limits, or any written extension thereof, shall be considered resolved on the basis of the decision at the previous step.

Any complaint not answered within the prescribed time limit, or extension thereof, shall be considered to have been answered in the negative and may be advanced by the employee to the next step.

### **Disciplinary Actions**

The Town expects employees to meet its standards of performance and behavior to comply with and carry out Town and departmental rules and regulations. As is the case with all organizations and entities, instances arise when an employee must be reprimanded, suspended, or discharged, with or without notice. Although “progressive discipline” is frequently applied, the Town will administer discipline according to the situation and the Town’s needs.

#### **Types of Disciplinary Action:**

Disciplinary action taken against an employee may include (but are not limited to) the following: 1) Informal counseling; 2) Written reprimand; 3) Suspension without pay or demotion; 4) Dismissal.

#### **Enacting Discipline:**

Suspend without pay any employee of the Town for such length of time as he/she considers appropriate not exceeding one work week (one week’s pay).

A written statement specifically setting forth the reasons for the suspension will be given to the affected employee and placed in the employees personnel file.

### **Dismissal**

Dismissals are discharges or separations made for delinquency, misconduct, inefficiency, inability to perform the duties of a position satisfactorily, or other reason. The Board of Selectmen may dismiss any employee when they conclude that such dismissal is for the good of the Town.

*Amended by the Board of Selectmen 11/30/2009*

*Adopted by the Board of Selectmen 11/16/2009*

## **6.0 PUBLIC SAFETY/PUBLIC GOOD**

### **6.1 USE OF HIRED CONTRACTORS FOR SNOW and ICE REMOVAL**

It is the duty and obligation of the Town of Leicester to maintain and protect public safety during inclement winter weather events by removing snow and ice from Town-owned roadways. To meet this duty and obligation, the Town Administrator and Highway Superintendent, acting through the direction of the Board of Selectmen, shall cause snow and ice to be efficiently removed from the Town-owned roadways within its financial means through minimal use of hired contractors and/or overtime.

### **6.2 STREET GRINDINGS, STREET SWEEPINGS and GRAVEL**

The Town of Leicester Highway Department is responsible for the maintenance of town roads and in the course of this process has to repave some surfaces. To prepare the roads for paving they utilize an asphalt grinding process. Grinding process is used to remove damaged asphalt or to prepare an existing surface for an overlay. In addition as part of normal maintenance they sweep the streets every spring and collect the sand and debris from the edge of the roadways.

The ground asphalt makes an excellent base material. Not all of the materials that are collected during this process are reused on the street being repaved, creating a surplus of these materials.

The street sweepings are considered hazardous materials and must be processed according to DEP policies. These sweepings cannot be made available to the public.

The Highway Superintendent will determine and declare which amounts are surplus, taking into account any needs the Town of Leicester may have for these grindings at other locations, including parks and ball fields.

Surplus grindings will be available to Town of Leicester residents and organizations at the Leicester Highway garage. Town Residents can take what they need from the designated piles.

In the instance that someone or an organization may have the need for a large amount of grindings they may request in writing to the Highway Superintendent for that amount and it will be set aside as it becomes available.

Under no circumstance will Leicester Highway personnel or vehicles be used to deliver grindings to non-town owned properties once they have been dumped at the Highway Garage.

Included in this policy is the distribution of gravel applications where the Highway Superintendent deems appropriate. Nothing in this policy will prohibit the Superintendent from continuing the maintenance of private roads.

Nothing in this policy will prohibit an exception to procedure or method of delivery of street grindings provided that such exception is:

- for the use of a “non-profit” organization operating within the community,
- recommended by the Town Administrator,
- unanimously supported by a vote of the Board of Selectmen at a public meeting.

### **6.3 SANDING and PLOWING OF DEAD-END STREETS**

The Town of Leicester has numerous dead end streets that are public ways and have to be maintained in winter weather conditions.

This policy allows the Highway Superintendent to determine the best way to effectively maintain these streets. This includes but is not limited to:

- A. Plowing and/or sanding as the truck drives up the street, then backing out
- B. Backing down the street then plowing and/or sanding on the way out
- C. Plowing and/or sanding as the truck drives up the street, then turning around on a resident’s property

There are currently no less than nineteen (19) streets that fall into this category

For these streets the superintendent will obtain the homeowner’s permission to access their property and maintain the property while turning around

The Superintendent will have full authority to decide at any time what is the most efficient way to plow or sand any street that the Town is obligated to maintain. This includes obtaining permission from the homeowner (if available) to use their property to turn around in the situation when a street is impassable and the truck has to turn around from the direction it originally came. The Superintendent may get permission from the homeowner to pile up snow on the resident’s property and further plow the resident’s driveway as an accommodation for piling the snow and turning around on the resident’s land. The permission given only a license to use the resident’s land continuing from year to year and is not an easement and is revocable at any time by the Town or the resident.

In addition, in the case of heavy snowfall and if there is an emergency situation, the highway superintendent can determine if it is in the best interest of safety to open the driveway of any essential personnel.

During the instances that there is a large snowfall and the streets end up with very high snow banks, the Highway Superintendent will have the authority to determine if and when the highway crew will open private driveways on these streets due to the volume of snow plowed onto those properties.

The Superintendent will make every effort to maintain a log of when and where these types of instances occur.

**7.2 ONE-DAY SPECIAL WINE and MALT LICENSE APPEARANCE WAIVER**

Non-profit organizations that wish to provide wine or malt for guests either for sale or free are required to apply for a license from the local licensing authority, the Leicester Board of Selectmen. In acknowledgement that some organizations have yearly events, consistently provide timely and complete application packets and have no current history of problems with their neighbors or public safety, this policy waives the requirement that the applicant attend the Selectmen's meeting where the approval of the license is on the agenda.

If the applicant meets ALL of the following criteria then appearing before the Selectmen in person will be waived:

The application packet is received at least one month prior to the event

The application packet is complete

Everyone identified in the packet are the same as the previous application; this includes the manager of the function, name of Licensee, Manager (or) FIN of the facility, serve safe person. This is not the applicant's first time applying for a license for the event (ie. wedding, festival, open house, etc.)

The applicant has appeared before the board for an application for the same type event within three years.

The police chief has no issues with the organization based on past history of similar events.

The Town Administrator has verified there have been no complaints from neighbors from previous events.

Any member of the board reserves the right to ask an applicant to appear before the board prior to issuing any One-Day Wine & Malt License.
