Billing/Collections Summary

We have billed for approximately \$ 83,000 more, and are eligible to collect approximately \$ 59,000.00 more from October 1 to Dec 31 this year, as compared to the same time period last year. It should be noted, that this figure does not include Medicare/Medicaid adjustments. By February, there should be a clearer picture of how much of an increase in revenue that can be expected from the billing changes moving forward.

\$ 1,492.05 received this month from cases that were sent to collections. A total of \$ 5,029.98 has been collected as a result of collections year to date.
