

SPECIAL MESSAGE FROM THE MODERATOR COVID-19 PRECAUTIONS

Extensive efforts on the part of multiple members of the Leicester Town staff have been made to create a safe environment with effective social distances. To that end, I will be enforcing the following rules for attendance, per my authority under MA General Laws.

1. Per Leicester Town By-Laws, Town Meeting is open only to registered voters. No one who is not a registered voter in the Town of Leicester will be admitted to the meeting. The exceptions are non-resident department heads, the press, and those employed as legal representatives of persons with business on the warrant.
2. Pursuant to the Governor's COVID Order No. 31 and Department of Public Health Guidance all persons attending Town Meeting are strongly advised to cover their noses and mouths with a mask or cloth face covering unless exempted by Department of Public Health Guidance.
3. There will be an ample supply of hand sanitizer available at the meeting. Please use as needed.
4. Please arrive early. Check in will be slowed by the requirements of social distancing and to allow checkers working under challenging circumstances to process voters as efficiently as possible.
5. The chairs in the School Gymnasium will be placed to ensure proper social distancing protocols are followed. Please do not move them during the meeting in order to maintain safety protocols.

Town Rules & Procedures Review

Each Town Meeting is a formal legislative body. As such, we are governed by both Massachusetts General Laws and Chapter Two of Leicester's Town By-Laws. Our proceedings follow "Town Meeting Time, A Handbook of Parliamentary Law", and tradition.

The Town Moderator does not vote, except in cases of a tie vote on the floor.

Town Meetings in Leicester are open only to registered voters.

As members of the town meeting, voters have the right, if they so choose, to present opinions and to ask questions through the moderator in relation to the motion under discussion, and only to the motion under discussion. You have a right to be comfortable with the facts at hand in order to make an informed vote.

A voter wishing to address the meeting through the moderator should approach the microphone and must identify themselves and state their address each time they address the meeting. If it seems that the Moderator is not aware of your desire to speak, please give some signal so that you will be recognized. If you are not able to get to the microphone, please give a signal and a teller or volunteer will bring a microphone to you.

No one may speak to any motion more than twice, except to clarify a point or respond to a question through or from the moderator, and maximum time is ten minutes. Voters must stay on topic with the motion at hand, and personal attacks or slurs of any kind will not be tolerated.

If you have a question as to why something is done in a fashion, feel free to ask. Raise that question or issue with the statement, "Point of Order."

If a member of this meeting wishes to move the question, that motion must be made from the microphone. A motion to move the question will not be accepted from the floor. A motion to move the question simply indicates that at least the individual offering the motion to move the question and person making the second have heard all the debate they feel is needed. A seconded motion to move the question is not a debatable motion. At such time, all debate will cease, and a vote is taken. A 2/3 majority is required for passage. If the motion to move the question passes, we will immediately vote on the motion which was under discussion in the hands of the meeting. If the motion to move the question is defeated, debate on the motion previously under discussion will resume. This procedure is often misunderstood but is allowed and governed under the By-Laws of the Town of Leicester.

Any motion undertaken by Town Meeting in Leicester may be reconsidered, meaning it can be brought up for a vote a second time. The motion to reconsider a motion must be made within one hour of the taking of the original vote on the motion in question. A motion cannot be brought forward for reconsideration more than once.

Any motion made must be within the scope of the articles posted in the warrant and presented to the moderator in writing.

Respectfully,
Donald A. Cherry, Jr. – Town Moderator

WORCESTER, SS.

To a Constable in the Town of Leicester,

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the Inhabitants of the Town of Leicester qualified to vote in Town Elections and Town Affairs to meet at the Middle School Gymnasium, 70 Winslow Avenue, Leicester, MA on Tuesday, the 11th day of May, 2021 at 7:00 PM, then and there to act on the following articles, namely:

Good Evening. I am Don Cherry, Jr., your Town Moderator. I'd like to welcome you all to this Annual Town Meeting, and to Thank You for taking an active role in your government.

As Town Meeting Members, we are the legislative body here in Leicester, and our work here tonight in these trying times means our town government can continue to operate on a full fiscal year structure.

Is there anyone attending a Town Meeting for the first time? Thank you for taking the time to exercise your rights as a voter and the freedom that you have to do so.

A review of our basic rules and procedures is listed in your meeting guides.

That said, as your presiding officer, my primary roles are to maintain an open, fair and orderly meeting and to ensure that each member understands what we are doing. If anyone has a question, please ask.

In a moment, I will accept procedural motions regarding the conduct of this Town Meeting. Before I do, a couple of announcements and acknowledgements are in order.

As members of this town meeting, each of you has a voice and a right to be heard, should you choose. If any member of this town meeting wishes to speak through the moderator on an article on the floor, please approach the microphone with as much social distance as you are able. When you have finished your comments, please use the wipes at the microphone to sanitize it for the next person. As always, please state your name and address before speaking to an article.

A couple of reminders with regards to the electronic voting clickers we use for voting. Use of the clickers also means that every vote you cast is now secret. Please note: these clickers need to be returned at the conclusion of this Town Meeting. The number sticker on each clicker is strictly to ensure that if someone does forget to return a clicker that the registrars have a mechanism to know who to call and ask for return. The tabulation system does record what votes are cast from any single device, only to total yes and no votes.

Use of the devices is quite simple. Instead of calling for votes in favor and those against, I will simply call for a vote. At that time, simply press the "A" or Yes button if you are in favor of a motion, or the "B" or No button, if your desire is to disapprove a motion. Your choice will show on the small screen on the

device. If you change your mind, simply press the other button, as the selection showing when the 15 second voting window closes is what is recorded.

The results will display on the screen, they will be recorded by the Town Clerk, and we will move to the next order of business.

Per MA Law, I must inform all present that this meeting is being recorded for future broadcast on LCAC.

We are also joined by State Representative David LeBoeuf, and State Senator Mike Moore. Welcome, Mr. LeBoeuf and Mr. Moore.

We would be remiss if we did not take a moment to mark the recent passing of several members of our community who served the town. It has been a time of losses. Please know that any omissions are not at all a sign of disrespect, simply an oversight on the part of your moderator.

Donny Brown was a longtime member of the Leicester Civil Defense and emergency services.

Al Southwick, noted author and newspaper columnist, was also extremely active with the Leicester Public Library, including work on the renovation committee.

Theodore, "Teddy" Antanavica served on the Leicester Fire Department for years and retired as Chief of the Department. Ted was also active and involved with several building committees.

Robert "Bob" Giggey, was a member of the Select Board. I have been informed that the flag on the town common flew at half-staff last week in Mr. Giggey's honor.

Mary Gabrila, who served the town in several roles; Finance Advisory Board, School Committee and Library Committee

Leicester is a better community for the contributions and involvement of these citizens.

At this time, we can also pass on our recognition and best wishes in retirement for some long-time employees. Pat Grady retired in January after decades of service at the Leicester public Library as well as many years in the Building Department. Robert, "Bobby" Wilson retired November 30, 2020 after decades of service to the Leicester Fire Department. Leicester Police Detective Tim Fontaine after 38 years on the force. Best wishes to you all for a long and enjoyable retirement.

This evening also marks Select Board member Harry Brooks' final town meeting as a member of the board, as Mr. Brooks has chosen not to run for re-election.

Mr. Brooks, thank you for your service.

Are there any other special announcements, proclamations, or recognitions which should be made at this time?

For the record, I am in receipt of return of service of the warrant. Therefore, we may proceed.

The Town Clerk has informed me that a quorum is present, the meeting will come to order. The meeting started at approximately 7:04pm with 134 Town Meeting members present.

Per General By-Laws of the Town of Leicester, this meeting is open only to Registered Voters of the Town of Leicester.

Non-resident department heads are welcome on the floor.

Any person who is employed as an attorney by another interested in any matter under discussion at a Town Meeting shall disclose the fact of his or her employment before speaking thereon.

In case of emergency, in addition to the doors you used to enter the hall, additional emergency exits are on either side of the room on the walls behind you44.

Out of respect for each other, and the Town Meeting, please place any personal electronics on silent or vibrate.

Please rise and join me in the Pledge of Allegiance.

Please remain standing to join me in observing a moment of silence and reflection for several reasons.

Let us commemorate the service and sacrifice of our armed forces who defend our liberties and freedoms, members of our emergency management services and those we call front line workers who work to help keep us safe at home and in our community.

As many of you are aware, this past Sunday, an incident occurred at the Leicester Police Station. Our thoughts and prayers are with all families and parties involved.

Let us also remember those lost, and those devastated by the loss, of so many of our neighbors, families, and friends from the coronavirus pandemic.

Thank you. Please be seated.

I will now accept any procedural motions for conduct of this meeting.

ADVISORY COMMITTEE RECOMMENDATION - Favorable Action (4-0-0)

SELECTBOARD RECOMMENDATION - Favorable Action (3-1-0)

DESCRIPTION

This is the FY 2022 operating budget for municipal and school services. Property tax proposed to be levied is within the allowances of Proposition 2 ½. We are utilizing the Governor's proposed revenue estimates for local aid. This financial plan meets at least the minimum needs of every department and continues to move the Town forward in a sustainable direction. The FY 2022 budget is \$517,167 greater than the FY 2021 budget.

Please note the budget allocations below:

Department	FY 21 Budget	FY 22 Budget	\$ Change	% Change
Municipal Budget Increase	\$6,351,412	\$6,557,580	\$206,168	3.25%
School Budget Increase	\$17,174,399	\$17,582,550	\$408,151	2.38%
Intergovernmental Budget	\$6,573,697	6,476,545	(\$97,152)	-1.48%
Totals	\$30,099,508	\$30,616,675	\$517,167	1.72%

The budget increases show a higher percentage of funds being allocated to the municipal budget than the school budget. However, when the \$55,000 transfer from the vocation tuition article to the municipal budget to fund the third Highway position to perform winter maintenance and school athletic field mowing is removed, the percentage increase between the municipal and school budgets is identical at 2.38%.

Municipal Budget Increase	\$206,168	3.25%
Less: Highway Transfer	(\$55,000)	
Municipal Net Budget Increase	\$151,168	2.38%
School Net Budget Increase	\$408,151	2.38%

The FY 2022 budget also proposes using \$150,000 in Free Cash as operating capital to reopen the police station lobby to the public effective July 1st. These funds are requested to hire the staff needed to keep the lobby open around the clock.

The station has not been open to the public since the regional dispatch agreement was signed with Worcester. The agreement freed up funds to hire additional officers with the savings realized by removing the cost of dispatch from the police budget. However, removal of those personnel essentially closed the building to the public.

Funding this article would allow the Town to hire staff to manage the building, serve walk-ins, take general business calls, and watch prisoners. Currently, individuals in police custody must be moved to another town for holding and the Town is billed for this service.

This would be a pilot program for FY 2022. If successful, the Town would work to set aside funds annually to reduce the amount of free cash being used for this purpose.

DESCRIPTION

Chapter 74 of the Mass General Laws governs vocational technical education programs in public school districts. This article was moved out of the line item budget and into a separate warrant article starting in FY 2016. Tracking these costs independently allows for more accurate accounting of the costs associated with Leicester students attending other schools for vocational

education. The amount requested is being lowered this year, as the full FY 2021 allocation is not being spent. That article will remain in case costs increase in FY 2022.

VOTE REQUIRED FOR PASSAGE Requires a simple majority vote per M.G.L. c. 40, § 5.

ADVISORY COMMITTEE RECOMMENDATION – Favorable Action (4-0-0)

SELECTBOARD RECOMMENDATION – Favorable Action (4-0-0)

DESCRIPTION

Other Post-Employment Benefits are benefits that an employer pays to an employee once they retire. Like most public-sector employers, the Town of Leicester provides matching funds towards the health insurance premiums of eligible retirees. In recent years, financial oversight entities including bond rating agencies and the Governmental Account Standards Board have required municipalities to perform an actuarial analysis to project the future cost of the benefits that are being offered. Further they have encouraged municipalities to begin setting funding aside to ensure they are able to make these payments in the future.

The most recent actuarial analysis performed for the Town estimates that the Town's current OPEB liability is \$33.9 million. By starting to fund this projected obligation now, the Town will be reducing its projected funding requirement. The funds that are being set aside in the trust will only be able to be used to pay for retiree health insurance contributions. These funds will be reflected on the Town's financial balance sheet as an asset that will help offset the liability. The current balance in this fund is \$174,341.02.

SELECTBOARD RECOMMENDATION – Favorable Action (4-0-0)

DESCRIPTION

The FY 2022 capital plan has 6 recommended projects/items. These new items are being financed in single appropriations to avoid committing free cash in future years. See detail below:

- **Fuel island repairs including spill tubs and vent tubs (\$55,000)** – DEP mandated replacement of obsolete equipment on the fuel island at the Highway Department.
- **Replace engine #1 (\$300,000)** – Replace of Engine 1 with a used pumper to be stationed at the Fire & EMS Headquarters. The current apparatus is 35 years old and is becoming unreliable due to its age and the wear and tear it has endured over its years of service.
- **Town-wide communications upgrades (\$54,243)** – Installation of 3 repeaters, one Simplex for Highway, one Simplex for Fire's back-up repeater, and a high capacity repeater on the Hillcrest water tower for the Fire Department.
- **Replace Fire Station #3 Roof (\$45,000)** – The roof at Station #3 in Rochdale was replaced in 1989. In 2018, leaks developed in some areas. Repairs were made to stop the leaks and extend the life of the current roofing. The rubber membrane and the water-soaked insulation will need to be removed and replaced. Priced is based on a 2021 estimate of 2,950 sq. ft. at \$22.00 per foot, plus escalation.
- **Replace Highway Truck #2 (\$47,000)** - Replace a 2004 F350 Fleetside one-ton pickup. Replacement vehicle would be the same type and size with a full commercial HD plow system. This vehicle is used to plow private roads each winter.
- **Replace PD Copy Machine (\$10,490)** – The current machine is over eight years old and breaks down frequently. The quality of the copies that it produces is poor. A new machine would increase productivity while eliminating downtime and costly repairs.

ADVISORY COMMITTEE RECOMMENDATION – Favorable Action (4-0-0)

SELECTBOARD RECOMMENDATION – Favorable Action (4-0-0)

DESCRIPTION

This article seeks funding to move from a paper-based filing method for tracking building and vehicle maintenance to an automated asset management software system. ADVISORY COMMITTEE RECOMMENDATION – Favorable Action (4-0-0)

SELECTBOARD RECOMMENDATION – Favorable (4-0-0)

DESCRIPTION

The clubhouse and banquet facility at the town-owned Hillcrest property is in poor condition and does not meet ADA accessibility requirements. This article seeks funding for architectural plans to install a new steel building with restaurant, kitchen, ice cream window and banquet facilities. This new building would be sited at the southern end of the parking lot. There would also be a smaller steel outbuilding for equipment storage. This building, estimated to cost \$1-\$1.5 million, would replace the existing facility, which would take an estimated \$2.5 million dollars to rehabilitate.

The steel building is cost effective option that would allow the property to be a more attractive lease opportunity, either as part of the golf course operation, or as a separate entity. The forecast price of construction would be included as part of the design plans. The construction cost would be discussed at a future Town meeting.
