RE: Briarcliff Estates Senior Village – Extension to Deadline of Completion

Greetings Mr. Charbonneau,

Enclosed please find a check made out for \$50 payable to the Town of Leicester as *Application Fee* with my request to ***Extend Deadline to Complete Construction of the Briarcliff Estates Senior Village Development***, a new construction residential housing development project on Victoria Drive.

The previous extension for this project is scheduled to expire on July 30, 2023.

I am requesting the maximum amount [my understanding to be two-years] for this extension.

I wish for this matter to be included on the Agenda for the July 18, 2023 meeting of the Planning Board.

Respectfully,

Matthew Bassick
